70E Paper Roll Clamp Revolving Connection Service Kit 664924 Installation Instructions

MODEL: 70E Pivot Arm Paper Roll Clamp

PROBLEM: Installation of white teflon backup rings included in Service Kit 664924 on the revolving connection shaft. The white teflon backup rings are slow to regain their original shape and size after installation.

SOLUTION: The teflon backup rings will quickly regain their original shape and size by carefully heating with a hair dryer, heat gun or moderate heat lamp once in position on the shaft.

Heat the backup rings prior to installing the O-rings or applying a lubricant.
