

# Installation Instructions

## Tilt Control Valve Mounting Kits 6016269 and 6093492

This manual provides installation instructions for Cascade Tilt Control Valve Mounting Kits 6016269 and 6093492. The kit allows mounting a Tilt Control Valve to a frame plate in the engine compartment of the truck.

- 1 Locate the mounting location for the Tilt Control Valve in the engine compartment.
- 2 Connect the hoses included in the kit to the **A IN** and **B IN** valve ports. The other end of the hoses connect to the main control valve tilt ports.
- 3 Use the truck's existing tilt cylinder hoses to connect to the **A OUT** and **B OUT** valve ports.
- 4 Mount the valve to the truck frame using the brackets and hardware included in the kit.
- 5 Assemble the rest of the tilt control component as described in Installation 221735 or 6093209.

- 1 Mounting location for Tilt Control Valve.

**NOTE:** This information should not be interpreted as the basis for warranty claims unless so designated.
